Firm's Areas of Practice:

Palacios & Asociados / Sercomi is a Law and Consulting Firm based in Guatemala City, Guatemala, in Central America. The Firm provides legal support in different areas in order to offer our Clients an integrated service; service that will appropriately respond to the current dynamics of the economic frame and to the globalized relations of companies and people.

We are committed to:

Provide our Clients with high quality and specialized services

Support their projects and business objectives in a trustful, ethical, efficient and timely manner.

Palacios & Asociados/Sercomi counts with correspondent Firms in each of the Central American countries and in several other countries of the Americas, which allows us to offer our Clients coordination of their legal interests beyond Guatemala's borders.
