## Firm's Areas of Practice:

The Law firm was established in 1940; has specialized in domestic and international group counseling in business, industrial, financial and corporate matters, and also in the study and conclusion of participation, collaboration and capital investment agreements in different sectors of the Uruguayan economic activity and related areas. The firm has provided assistance and advice to foreign corporate groups throughout Uruguayan processes of privatization, strategic alliances and public work and service concessions (France Telecom, Telefónica of Spain, Enagas of Spain, Lyonnaise Des Eaux of France, Loma Negra of Argentina), and also to the Uruguayan Government during the association process of the Uruguayan airlines (Pluna with Varig), in association with Bureau Francis Lefèbvre from France.

FIRM'S AREAS OF PRACTICE: civil, commercial and banking law, labor law, corporate law – including incorporation of stock companies, investment stock companies (S.A.F.I.s or Holdings) and Foreign Trade Zone companies (the firm may also deal with maintenance of companies incorporated or acquired on behalf of its clients), Aviation, Family law, Intellectual Property, Patents and Trademarks, Air Law, Litigation, Administrative Law, Trust, Telecommunications, Privatizations and bids.
